Tom has been with Glatfelter Insurance since 2008 and is a Senior Vice President and Glatfelter Public Practice Program Manager. He entered into the insurance field in 1979 and holds the Certified Insurance Counselor (CIC) and Certified Risk Manager (CRM) designations.

Recognizing that the insurance industry is ever-changing, Tom is comfortable in his role as both an educator and student when it comes to finding solutions for providing insurance on complex business. His goal is to be a valuable resource so agents are prepared to offer a response or solution to their clients. Tom believes that sharing and explaining the underwriting process and coverages enables trust to be built between both parties and helps to forge long-term relationships. This combination then develops into mutual success.

Tom values time spent with his family and friends and enjoys wine tasting and playing golf.

Glatfelter Public Practice is a premier public entity program manager. We provide insurance and risk management solutions for over 4,000 public entities including those who treat, store and distribute water and wastewater; municipalities and miscellaneous public entities; public, private and charter educational institutions, and school bus contractors.
