

INSURANCE FOR WATER ENTITIES

WHAT MAKES US DIFFERENT

Long-Term Commitment

Glatfelter Public Entities traces its program roots to 1996 for water-related entities that treat, store and distribute water.

Financial Strength

The relationship with our carrier partner spans more than 16 years with underwriting authority.

- A.M. Best “A” (Excellent) XV Rated
- More than 85 years Rated “A” or higher

Enhanced Coverage

Specialty coverages specifically designed for water entities:

- 19 property enhancements
- 7 inland marine enhancements
- 11 general liability enhancements
- 10 general liability pollution exclusion exceptions

Specialized Underwriting

Underwriting for our program is conducted by experienced staff averaging more than 25 years in the industry:

- Associates develop a working knowledge of the territory including competitors, market conditions and an understanding of their territory’s economic, regulatory and legal climate.
- Underwriting teams provide consistent service by retaining ownership of new business through renewal cycles.
- We are highly knowledgeable and experienced with rating, quoting, policy issuance and customer service support.

Experienced Team

Territory Distribution Leaders assist agents with selling and retaining business.

- Develop a working knowledge of the territory including competitors and market conditions.
- Average of 30+ years of experience working in the insurance industry.
- Numerous collateral tools are available to assist with sales and retention.

Responsive Claims Service

Claims are handled by seasoned claims specialists dedicated to public entity business.

- Providing superior customer service
- State-of-the-art information technology
- Claims litigation management
- Nationwide investigative and adjustment support services
- More than 58,000 Public Entity claims handled since 2004

CA Insurance Producer License #0817046. Glatfelter Underwriting Services, Inc., an American International Group, Inc. (AIG) company, is a premier manager and specialist of niche commercial insurance markets in the U.S. All products and services are written or provided by subsidiaries or affiliates of AIG. Products or services may not be available in all countries or states, and coverage is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
